Highly analytical and results-oriented professional with progressive experience in the NBFI sector, specializing in Credit Operations, Loan Documentations and Internal Control & Compliance. Proven expertise in comprehensive financial statement analysis, credit risk assessment (including CRG & CIB analysis), regulatory compliance (including ISS reporting and Compliance replay to Bangladesh Bank). Proficient in advanced Excel functionalities like Lookup Functions, Pivot Tables and Data Visualization with Power BI and Google Lookers Studio.

Special Qualification

Financial Statement Analysis, Credit Analysis, Risk Management, Regulatory Compliance (BB), Internal Control, ISS Reporting, Advanced Excel (Pivot/XLOOKUP/VLOOKUP), Fin Ultimus, Data Visualization and Interpretation with Powe BI/Google Lookers Studio, Data Driven Calculated Decision Making, Problem Solving, Report Writing.

Professional Experience

Senior Officer – Internal Control and Compliance Department & Credit Administration Department

Bay Leasing & Investment Limited, Head Office | June 2024 – Present

- Conduct detailed internal audits across departments and branches, identifying control weaknesses and recommending improvements to enhance compliance and operational efficiency.
- Prepare and submit accurate and timely Integrated Supervision System (ISS) reports to the Bangladesh Bank, ensuring adherence to regulatory reporting requirements.
- Update the Internal Control and Compliance (ICC) plan periodically based on thorough risk assessment and organizational changes, strengthening the internal control framework.
- Monitor and interpret Bangladesh Bank circulars and regulatory directives, ensuring timely implementation and compliance across relevant business units.
- Verify compliance of loan agreements and related documentation with internal policies and regulatory requirements, mitigating operatioal and compliance risks.
- Obtained and verified CIB (Credit Information Bureau) information for all new loan applications, coordinating with the IT department to ensure the accurate and timely updating of CIB status within the system.
- Compiled essential documentation, including financial statements and sanction letters, and formulated comprehensive responses to observations arising from Bangladesh Bank's large loan inspections.
- Monitored and maintained real-time status updates for the top 10 defaulting loan accounts, meticulously tracking payments, legal proceedings, and any improvements in recovery efforts.
- Managed and updated records for all write-off loan accounts, diligently tracking recovery payments, ongoing legal suits, and noting any progress or improvements in the recovery process.
- Oversee loan disbursement processes and monitor post-disbursement fund utilization, ensuring adherence to sanction terms.
- Monitor loan portfolio performance through periodic reviews and analysis, maintaining accurate records, and identifying potential risks.
- Ensure accurate and compliant credit documentation for all loan types, including effective collateral management.
- Liaise with internal teams and coordinate with regulatory bodies to ensure seamless compliance with Bangladesh Bank directives

Officer – Branch Operations

Bay Leasing & Investment Limited, Bangla Motor Branch | October 2020 – May 2024

- Managed operational tasks for a comprehensive loan and deposit portfolio valued at approximately BDT 60 Crores, gaining in-depth exposure to diverse banking products.
- Conducted comprehensive credit assessments by analyzing audited financial statements, bank statements, calculating CRG scores, assessing net worth (company and directors), and performing CIB analysis to evaluate client creditworthiness and associated risks.
- Authored and prepared detailed initial credit/board memos, Sanction Letters, Synopses, and other necessary proceedings for loan files based on thorough financial and risk analysis.
- Evaluated survey and valuation reports, and legal opinions to determine collateral adequacy and legal feasibility for loan proposals.
- Coordinated with internal teams and external parties (e.g., sub-register office) to ensure accurate and complete property documentation (mutation records, khatians, etc.) required for loan security.
- Engaged with overdue clients to consult on payment plans and facilitate smooth repayment operations, contributing to portfolio health.

Probationary Officer – Liability Marketing Department

Bay Leasing & Investment Limited, Bangla Motor Branch | June 2019 – August 2020

- Contributed to branch business growth by actively marketing liability products, establishing new client relationships, and increasing the branch's deposit base within the banking framework.

Junior Executive – Retail Sales & Digital Marketing

Electra International Ltd. | April 2019 – June 2019

- Analyzed previous sales performance data across 56 showrooms and provided sales target estimations to department management.
- Prepared daily sales reports tracking showroom performance against targets.
- Managed inventory records for ~50 products and coordinated with the warehouse/service center for stock management and product issues.
- Handled the Daraz BD platform for product sales, successfully achieving over Tk.7.00 Lac in product sales.
- Maintained the company website and official social media pages, engaging with customers and posting promotional content.

Intern – Digital Marketing Department

Electra International Ltd. | January 2019 – April 2019

- Assisted with website maintenance, social media engagement, and customer communication.
